2017 ANNUAL REPORT

Presented to Board of Director

16-Nov-17

The Property Tax Assistance Division of the Texas Comptroller's office requires appraisal districts to publish an annual report. This report provides property owners, taxing units and other interested parties information about total market and taxable values, average market and taxable values of a residence, and exemptions at the time of certification of value to the taxing units.

Article 8 of the Texas Constitution defines five basic rules for property taxes:

1. Property taxes must be equal and uniform
2. Generally, property must be taxed at market value defined as "the price at which a property would transfer for cash or its equivalent under prevailing market conditions". There are limited exceptions to this rule, such as productivity value for agricultural value for agricultural land.
3. Each property must have a single appraised value.
4. All property is taxable unless federal or state law exempts it from taxation.
5. Property owners have the right to reasonable notice of increase in the appraised value of their property.

The Rains County Appraisal District was created by the Texas Legislature in 1979. Senate Bill 621 required that an appraisal district be established in each county for the purpose of appraising property for ad valorem tax purposes. Appraisal districts are local government political subdivision of the state responsible for appraising property with county boundaries. Prior to the creation of central appraisal district, each taxing unit followed their own appraisal standards and practices. Value were inaccurate and inequitable. Property owners were required to visit multiple taxing units to resolve any disputes concerning property value. Appraisal districts are independent of the taxing units but are governed by a board elected by the taxing units elected officials.

By law, an appraisal district is to be managed by a professional staff with training and education prescribed by the Texas Department of Licensing and Regulation.

the Texas Comptroller of Public Accounts. The Texas Property Tax Code and rules established by the Texas Comptroller of Public Accounts. The Property Tax Assistance Division conducts a property value review study and a Method and Assistance Program review in alternating years. Results of both reviews are available on the comptroller's Website.
